

The Curious Numbers

Lina loved exploring forests. She found clues hidden in numbers.

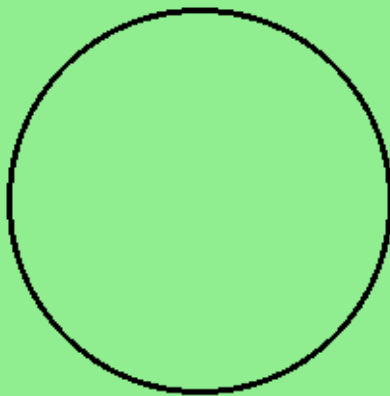

Illustration 1

Math Puzzle

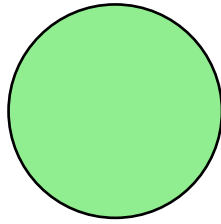

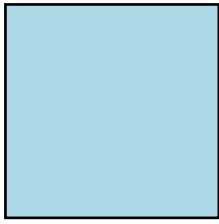

She counted 12 birds. 5 flew away. How many remained? Answer: 7.

Illustration 2

Fractions

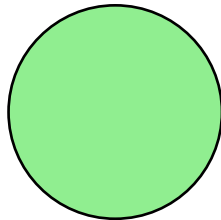

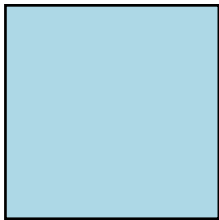

She shared 1 pizza equally among 4 friends. Each received $\frac{1}{4}$.

Shapes

Geometry

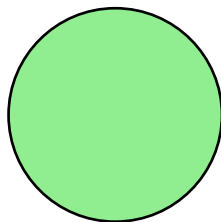

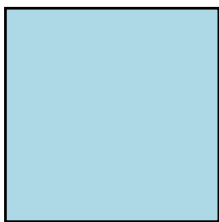

A square has 4 equal sides. If one side is 6 cm, perimeter = 24 cm.

Shapes

Adventure Ends

Lina solved every puzzle and discovered that curiosity plus practice makes maths fun!
